Further Information

We only take confirmed bookings with payment of a £250.00 non-returnable deposit. Unfortunately we will not be able to hold dates without a deposit.

You may book any of our Special wedding packages for more than 50 guests. You just pay for the extra numbers.

The content of any of the inclusive packages cannot be changed.

All bookings must be paid for, in full, 7 days before the date of the wedding.

We can accommodate up to 80 people for a traditional sit-down wedding breakfast

For buffet with a dance floor and disco we can accommodate 130 people. This will have seating for 100.

Tables for buffet service are clothed and have our tea-lights on them, unless you wish to supply more decorations.

If your numbers allow us to, we will set-up the disco in the Llandaff suite during the day. This way it speeds up the change around for the evening party. If the disco is not set-up then it takes approximately 30–45 minutes to turn around the room between the day and evening receptions.

All our bars close at 12 midnight for resident & non-residents alike. All music & entertainment must end at 12 midnight. Function room and bar must be vacated by 12.30 am

This is a selection of companies that we use. We recommend them because of the quality of service that we have received over a number of years.
